Committee with the appeal. Any evidence received after the appeal has been made will not be accepted.

The Appeals Committee will deal with discipline and technical protests not covered under the above rules.

Anti-Doping

Athletes who must pass the control will be informed at the end of their participation by a judge, through the official form, which and in the presence of the athlete will be filled in all sections. Athletes must sign the notification, keeping a copy of the form and must enter the doping control room immediately, and may be accompanied by a delegate or a companion, who must already be accredited for the championship. In compliance with the regulations, it is reminded that it is absolutely essential that athletes carry their ID or passport to prove their identity.

Ceremonies

Medal award ceremony will be held on 13th of August (Monday) immediately after the last competition match between Spain and Thailand. All teams involved are invited to attend.

Distribution Documentation

The protection of the environment is increasingly important in the lives of all and the LOC, through the environmental programs of the Higher Council of Sports, wants contribute to environmental protection and more specifically to the consumption of paper.

With the current means and the technology of the communication, the saving of the paper is a measure enough obvious that we must implement, but that we are sometimes reluctant to accept, especially when it comes to request the starting lists and the results of the competition, which will be published on the website. Therefore, the LOC wishes contribute by reducing to the maximum the copies made during the celebration of the WG and wishes to thank all the participants for their understanding on this subject. From this way, the exit lists and the results will only be displayed on a board.
